

Indoor (room 1, upstairs)

Last 3 pictures, corner with door window light

Indoor (upstairs, room 2)

Upstairs Hallway (between room 1 and room 2)

Outdoor cage (fresh air, sunlight, bath):

- Cage is moved into the garage at night
- (not shown) Tarp covering sides and back of the cage

Current Outdoor Setup (temporary)

- Disassembled and cleaned
- Painted outer frame (not cage wires)
- Removed centered platform (convert to a big cage)
- Upcoming plans:
 - New house design
 - Platforms and ramps
 - Privacy mesh covering $\frac{1}{3}$ of the bottom cage
